

Tubing Connectors

NPI Tubing Connectors & Couplings

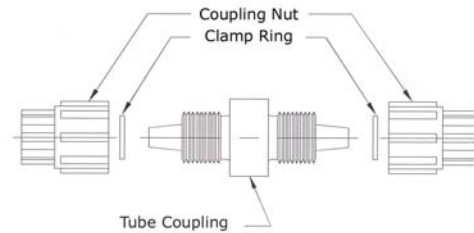

Installing pumps often involves making connections to various other equipment and piping systems. This often necessitates connection of 1/4", 3/8" and 1/2" O.D. polyethylene tubing to rigid PVC, other piping, or making connections to existing tubing. Often these components leak or become disconnected from the tubing. NPI provides a LEAK-PROOF solution to this problem.

Couplings: NPI Tubing Couplings allow you to connect two pieces of the same size tubing with the same LEAK-PROOF connection you use on your LMI pumps. NPI Tubing Couplings are available for 1/4", 3/8", or 1/2" OD tubing and are machined from solid PVC bar stock for years of trouble free service.

Socket Adapters: With NPI's Socket Adapters you can connect 1/4", 3/8", or 1/2" OD tubing to any standard 1/2" F Slip, solvent welded connection. This eliminates the potential leak path, which is present when NPT connections are used to adapt to tubing. Machined from PVC bar stock, NPI's socket adapters are rugged and easy to install.

Threaded Adapters: NPI's Threaded Adapters provide an easy to install transition to 1/4", 3/8", or 1/2" OD tubing in systems with threaded pipe connections. NPI's Threaded Adapters are available in 1/2" MNPT and 1/2" FNPT and are machined from PVC bar stock for maximum durability. When ease of disassembly is an important consideration NPI's Threaded Adapters are the best choice.

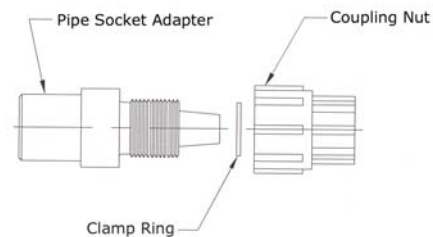

Couplings

Ordering Info

Part Number	Description
N-CPLG 1/4x1/8 Tubing	Coupling, 1/4" OD X 1/8" ID Tubing, PVC
N-CPLG 3/8x1/4 Tubing	Coupling, 3/8" OD X 1/4" ID Tubing, PVC
N-CPLG 1/2x3/8 Tubing	Coupling, 1/2" OD X 3/8" ID Tubing, PVC

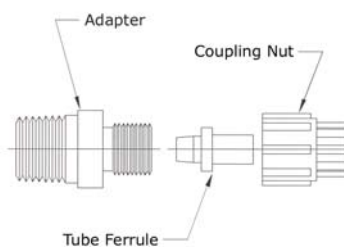

Socket Adapters

Ordering Info

Part Number	Description
N-CONNEC 1/4Tx1/2FSlip	Connector, 1/4" Tubing X 1/2" FSslip - PVC
N-CONNEC 3/8Tx1/2FSlip	Connector, 3/8" Tubing X 1/2" FSslip - PVC
N-CONNEC 1/2Tx1/2FSlip	Connector, 1/2" Tubing X 1/2" FSslip - PVC

Threaded Adapters

Ordering Info

Part Number	Description
N-CONNEC 1/4Tx1/2NPT	Connector, 1/4" Tubing X 1/2" NPT - PVC
N-CONNEC 3/8Tx1/2NPT	Connector, 3/8" Tubing X 1/2" NPT - PVC
N-CONNEC 3/8Tx1/2FNPT	Connector, 3/8" Tubing X 1/2" FNPT - PVC
N-CONNEC 1/2Tx1/2FNPT	Connector, 1/2" Tubing X 1/2" FNPT - PVC
